Supports: Keyboard, Joystick, Mouse, all major sound cards, 16 bit audio, and VR Headset devices.

# ZEPHYR™

*Enter a future where the governments of the galaxy hold no powers, and megacorporations determine the fate of worlds. A future where corporate arbitration is settled in the gladiatorial arena of the Interplanetary Battle Circuit (I.B.C). A future where the road to the top is littered with the wreckage of other corporate climbers. A future where speed, accuracy, and a quick trigger finger are the prime considerations for a raise. Enter the future of interactive entertainment...enter the combat intensive arenas of ZEPHYR!*

- Stunning 3-D rendered graphics
- Ten virtual worlds with alien landscapes
- A choice of six Zephyr hover-tanks
- Multi-player combat
- Supports VR headsets and other input devices
- Pounding Rock 'n Roll soundtrack

**Faster,  
Stronger,  
Deadlier!**  
only  
**\$64.99**

# Inherit The Earth™

## Quest for the Orb

Discover an original fantasy adventure that will introduce you to a new world of breathtaking scenery and excitement...Earth. Join Rif the fox and his companions as they explore and seek out new territories on the Earth of tomorrow. You'll attempt to solve the mystery and survive the danger that surround the disappearance of the ancient human artifact, the Orb of Storms.

- Over 30 professional voice actors
- Cinematic full screen animation
- Simple point and click interface
- Unique three-quarter isometric perspective
- Over four hours of digitized speech
- Rated GA for it's non-violent theme
- Enchanting musical scores and sound effects

# HEROES<sup>TM</sup> of Might and Magic

Challenge yourself to conquer the world of Might and Magic through the careful use of money management and battle savvy. Explore and conquer new territories as you vie for the ultimate item of power...the Artifact of the Ancients. Heroes of Might and Magic pits you against three computer controlled warlords in a struggle for world domination. Each warlord will recruit, hire, blackmail, and cajole numerous "Heroes" to lead their armies to victory in this fast paced strategy game. Super sharp SVGA graphics and an unusually intelligent computer AI will keep you glued to the screen for hours and days. Heroes of Might and Magic boasts dozens of unique maps, customizable computer opponents, and of course some of the best graphics, music, and sound effects to grace the PC.

- Dazzling SVGA Graphics
- Infinitely replayable
- Customizable difficulty level
- Over two dozen different monster types
- Dynamic musical score and sound effects
- Cunning computer opponents

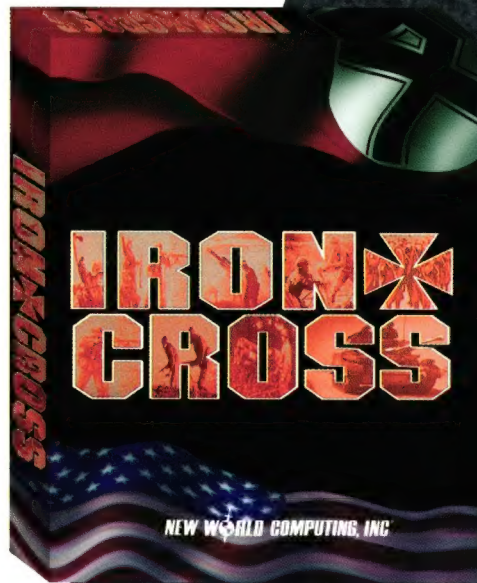

**Strategy and  
Role Playing  
unite for one  
low price!  
only  
\$56.95**

**DOS CD-ROM** IBM 386 or greater  
and 100% compatibles with a CD-ROM  
drive, 4MB RAM, Hard Disk, Mouse,  
MS-DOS 5.0 or greater and SVGA card.

# IRON CROSS™

*Recreate pivotal battles of World War II with the new tactical warfare simulation, Iron Cross. Real-time action puts players in 12 historical scenarios where they must prove their worth as commanders under the pounding sound of gunfire and utter chaos. Command either the Axis or Allied troops from the Battle of the Bulge to Hitler's Bunker in Berlin as you test your skills and tactics against the war intelligent computer AI.*

*This strategy simulation features real-time game play, so there is no waiting to alternate turns; the action remains continuous and riveting. Choose from over 80 combat units which contain infantry, armor and artillery each with unique characteristics. These units are rated in 14 different categories, such as target accuracy, firepower, and reload time for historical accuracy. Create and customize your own scenarios with the Iron Cross scenario generator. Iron Cross's, real-time action, historical footage, scenario generator and replayability are sure to keep you in your fox hole for hours on end.*

# HAMMER OF THE GODS™

*Become a Viking hero and embark on one of the most dangerous quests given to a mere mortal. Compete against three other Viking heroes as you attempt to please and find favor with every deity of the lesser gods as well as Odin, ruler of the Norse gods. Through cunning exploits, heroic deeds, and sheer courage the competition will end with a surviving hero whose gifts outnumber that of the other heroes. This champion will gain the special gift granted by Odin, the right to become "Hammer of the Gods!"*

- Bonus 640 X 400 SVGA Mode
- Over twenty five different combat unit types
- One to four players via network, modem, or e-mail
- Random map generator for extended play value
- Over 2,500 frames of rotoscoped animation
- Multiple quests and adventures with dozens of solutions
- Challenging computer opponents

**Do the  
deeds and  
live the  
legends  
for only  
\$56.95**

# EMPIRE DELUXE™

You'll be up and running with control over battleships, carriers, and tanks within minutes. The goal of this award winning game is to conquer the world by attacking and capturing enemy territory. Designed to support multi-player compatibility. Empire can be played with up to six players via network, modem, e-mail or serial port. Empire Deluxe is available for the Macintosh, DOS and Windows platforms. Also available is Empire Deluxe Scenarios, with 35 exciting and challenging add-on battle scenarios for both the DOS and Windows versions. Commandos may engage in historical battles, modern day conflicts, or create their own fantasy or futuristic campaigns. And, for the strategy war super value, Empire Deluxe Masters Edition! The CD-ROM Masters Edition includes all the features found in the award winning Empire Deluxe Family, Empire Deluxe DOS; Empire Deluxe Windows; Empire Deluxe Scenarios and the classic original Empire. So, dig into your trenches and take cover, this super value will have you at war for hours.

# Might and Magic World of Xeen™

*World of Xeen brings the best in role playing games to the best in entertainment mediums...CD-ROM! World of Xeen is the culmination of the conflict that began almost 10 years ago in Might and Magic I, Secret of the Inner Sanctum. The conflict of the Ancients, the conflict between good and evil, the conflict between CORAK the Mysterious and SHELTEM the Despoiler. World of Xeen is a Might and Magic game in the true meaning of the term, from the extensive story line to the entertaining characters. Cinematic endgame sequences, over 200 talking characters, an imprisoned queen, an errant knight, more monsters than you can shake a stick at, and two really mean overlords combine on 2 jam packed CDs to provide days of gaming fun. Might and Magic: World of Xeen is a complete multimedia experience for the CD-ROM game player.*

## Multimedia Celebrity Poker

Sit down to a game of cards with three intriguing celebrity opponents in a high stakes interactive poker game. Multimedia Celebrity Poker features an exciting new video technology that creates a state-of-the-art animated card game you won't soon forget. Try and keep a straight face as you attempt to bluff the elegant and sophisticated

**Morgan Fairchild.** And, as the stakes get high be sure to focus on the game at hand or funny man **Joe Piscopo** will take all of your chips at the conclusion of a joke. Or, if you think you have the straightest poker face around wait until you go head to head with "Number One," **Jonathan Frakes.** The competition, video animation, and conversational dialogue will keep you at the table all day and night. Multimedia Celebrity Poker is perfect for the first time gamer, as well as top Mavericks looking for the best poker game around. MPC CD-ROM.
